

## **Kennedy Vomberg selected to assist Quartek Group manage organizational change through deployment of Deltek Vision®**

Toronto, Canada – April 24, 2009 – Quartek Group Inc., a multi-disciplinary firm offering planning, engineering, architecture, and project management is pleased to announce their decision to engage Kennedy Vomberg as their implementation partner for the deployment of Deltek Vision. They have recently ‘beefed-up’ their planning, urban design, and environmental sustainability disciplines by adding senior planning, environmental, and LEED certified staff to their team.

The executive team viewed this as an opportunity to optimize business processes, and enhance the means by which they monitor the effectiveness of project delivery. Quartek felt that their needs would best be met by working with a knowledgeable local organization, and were pleased when Deltek recommended Kennedy Vomberg.

“Like a lot of firms, we’re taking the time during this economic cycle to evaluate our business – its structure, the way it’s run, how we evaluate success,” said Patrick MacNeill, President, Quartek Group. “We were pleased that Deltek was able to refer a local consulting firm who had the product knowledge but also the practical experience to help us manage this transition.”

“We’re pleased to partner with Quartek Group and help them re-engineer some of their business practices,” said Don Kennedy, Principal of Kennedy Vomberg. “Anytime someone elects to implement a new solution is the best possible moment to take a step back and review the bigger picture. We look forward to seeing the positive impact of change on their business success.”

### **About Kennedy Vomberg**

Kennedy Vomberg is headquartered in Toronto and provides business advisory and software consulting services to the professional services industry throughout Ontario and beyond. In partnership with Deltek, Kennedy Vomberg markets and implements the Vision line of business management solutions to organizations that are project-based. For 2008, Kennedy Vomberg was recognized as Deltek’s Growth Partner of the Year globally.

### **About Quartek Group**

Quartek Group is a multi-disciplinary firm providing a full range of planning, engineering, architecture, and project management services to clients in both public and private sectors. Quartek’s areas of expertise include colleges and universities, medical clinics, recreational facilities, seniors, retirement and long-term care homes, energy audits, municipal engineering, and land development planning and design.

Quartek’s goal is to combine in harmony the highest quality of artistic and creative design necessary for high quality architecture, urban design, and innovative planning, with the required engineering, technical, and project management skills to cater for the functional and cost-effective challenges of any built form or site feature.

The company's philosophy is based on a commitment to multi-disciplinary teamwork, providing a comprehensive and high quality service at a competitive cost, using project management systems aimed at delivering projects on time and within budget while maintaining good communications with their clients at all times.
